RE: ACOMPTE Re-Accreditation Notification

Dear Dr. Kroon:

The External Assessor Review Committee for American Academy of Manipulative Therapy Fellowship in Orthopaedic Manual Physical Therapy, functioning with the policies, procedures and standards set forth by The Accreditation Council on Orthopaedic Manual Physical Therapy Education (ACOMPTE), has reviewed the additional information submitted by:

The Manual Therapy Institute

Based upon on this submission and reviewed by ACOMPTE, the Council has unanimously voted to reaccredit The Manual Therapy Institute for 10 years. This renewal means Manual Therapy Institute's next re-accreditation date will be **November 9, 2033**.

ACOMPTE must be notified of any major changes in the organization of the program. Changes in the program mission, curriculum, practice sites, program leadership, and participant positions must be reported to ACOMPTE using the Substantive Change forms located on the website.

Congratulations, Dr. Kroon, on this notable achievement. If you have any questions, please feel free to reach out by email to foundadtion@aaompt.org.

Sincerely,

ACOMPTE Council
